CORONATION XLI WEEK

Imperial Sovereign Court of the Wild Rose—President of the Board

Greetings one and all to Coronation 42!

I have been honoured to serve as President this year. It's been an exciting time to be a member of the ISCWR. So much new blood has joined our ranks, and it's been great to see the public footprint of our group growing in size and prestige. A lot of that is owed to the hard-working title holders.

It's always a balancing act between protocol and progress, but I think the new blood and old guard have come together in a way that's truly dynamic, and is setting up for many future reigns. Some may question the need for a group like ours in these times of increased LGBT acceptance, but we still have a role to play - a role which is, as it has always been, giving back to the community.

To the rest of the Board, I thank you for your dedication and efforts. We have truly been a team - maybe not always in sync, but always able to communicate and compromise. To the title holders, I commend you for your entertainment and commitment. You have all grown as performers and as people, and I am proud of you. To the membership, I am grateful for your ongoing support, participation, and guidance.

*The course of this year changed suddenly on August 5 when we lost a friend, brother, and monarch. LJ Steele exemplified the values of the ISCWR. He was a light in our community and an inspiration to all. He will be missed.

I remain in service, Emperor 26, 28, and 36 President of the Board Roh Browatzke

Message from His Worship Mayor Don Iveson

On behalf of City Council and the people of Edmonton, Alberta's Capital City, I welcome everyone to the 42nd Coronation of the Imperial Sovereign Court of the Wild Rose (ISCWR).

Stretching from the wild woods of Wood Buffalo National Park to the golden canola fields of Red Deer, the glorious and esteemed realm of the Imperial Sovereign Court of the Wildrose is truly unlike any other in the Imperial Court System. The Court is renowned for its magnanimity, for funding bursaries for LGBTQQ students and providing a safe, supportive and glittering space for individuals to explore their identities and share their talents. Generations of sagacious rulers have helped the ISCWR to achieve many important milestones for the LGBTQQ community here in Edmonton; our city and region owes the ISCWR a great debt of gratitude and reverence.

I thank the ISCWR Association and the outgoing royalty for all their efforts organizing this event. Your dedication to this organization is making our city a more inclusive, diverse and spectacular place for all Edmontonians.

Congratulations to the new Empress and Emperor!

Yours truly,

Don Iveson Mayor

INTERNATIONAL IMPERIAL COURT COUNCIL OF THE UNITED STATES, CANADA AND MEXICO

Greetings to The Imperial Sovereign Court of the Wild Rose and Coronation Guests,

Fifty-two years ago a proud Latino World War II veteran named Jose Julio Sarria planted a seed in San Francisco that has grown into a vibrant royal oak tree with branches now extending throughout over 88 cities in the U.S., Canada, and Mexico... the International Imperial Court System, one of the oldest GLBT organizations in the world. Jose, in 1981, also made history by becoming the first openly gay candidate for public office in North America.

We, of the International Imperial Court System are continuing her legacy of community service and the Imperial Court of Edmonton is a role model of noble deeds that benefit many.

My sincere congratulations to Emperor Bull Dozr and Empress Ruby Hymen, and all of the members of the Imperial Court of Edmonton. I am proud of you all.

This year I have proclaimed as: "Don't Turn Away, Help Today, the North American Homeless Project," and urge all court chapters to focus on our nation's growing homelessness in 2017

In closing, I will also be proud of our International Imperial County System for leading the successful campaigns that have resulted in a Harvey Milk Postage Stamp, and soon the U.S.N.S. Harvey Milk naval ship. God Bless You All. Respectfully.

"The strength of the court's past, the promise of its future"

God Bless Canada God Bless the United States God Bless Mexico

President of the College of Monarchs

I welcome you to Coronation 42 – An Evening at the Weird and Wacky Wonder Emporium—and this year has certainly been weird and wacky with all the different events and fundraising that has happened. Their Majesties, the Upper house, the board and our college and court members made this a memorable year. I am truly blessed to be part of a great organization. As always, there were ups and downs, challenges, successes, but with such a strong group of members, we were able to push through and move the organization forward. Our membership continues to grow and is wonderful to see so many people attending our general meetings.

I look forward to inducting our stepping down Monarchs Emperor 41 BullDozr and Empress 41 Ruby Hymen and our Imperial Crown Prince and Princess Jack n Ginger and Morgen Fair into the College of Monarchs. You have all done a great job and am so proud of you all.

Thank you to the College of Monarchs for your continued support and mentorship whether it be on the sidelines or as an active role in the organization. Many of you have set the path and it is up to us and our future members to continue that path. It is those who came before us who were instrumental for where we are today and we must not forget our history. It is up to us to guide, mentor and support our youth as they are our future. I only hope the ISCWR will continue its work for many years to come. It is important to serve our community and strive for equality for all. In the words of Jose Julio Sarria, "United we stand, divided they will get us one by one".

"From Our Hearts, Through the Courts, For the Community" Again I want to thank everyone for your support.

I Remain,
H.I.S.M. Emperor 34 and 36,
President of the College of Monarchs of the ISCWR
Heir Apparent and Canadian Minister to the Queen Mother of the Americas 1, Nicole the Great

The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

IN-TOWN EMPRESS 41 1/2 - MISS KELSEY BREEZE

Good evening ladies, gentleman and children of all ages welcome to a "Night Under the Big Top".

I would like to tip my crown to the **Upper House of the 41**st **Reign**, who all have banded together to over come the curves that where thrown at you this past year. It certainly has been an honour to be included in the group, by being bestowed the title of In-town Half Empress and being a part of the female line.

Ruby... Oh lady where do it start????? I am so proud of you and what you have personally achieved over the past year. I have seen you come from silent bashful individual to someone is confident about

yourself...Your combined efforts with **Bull, Morgen, and Jack** over the last 12 months has been incredible by thinking outside the box with new fundraising events and ideas for your charities, WIN House, iHuman Youth Society and altView Foundation.

Our trips out of town to Winnipeg, there have been two now, I could never ask for anyone better to travel with, looking for so many more excursions in the future like maybe Minneapolis...

Congrats on all the remarkable accomplishments that you have made to become an "Empress"... I love you my sista!

I remain in your service,

THE EMPEROR'S IN-TOWN EMPEROR 411/2 - ROB BROWATZKE

It has been an honour and a privilege to serve as In Town Half to Bull Dozr. I firmly believe in the organization, and knew last summer that Bull would represent our city with strength, dedication, and heart. He did not disappoint.

I have always felt the job of In Town Half is to be counsellor, confidante, and conscience to the monarchs, but certainly, it seemed many times that the reverse was true as well. With our lives overlapping in so many areas, I suppose that is to be expected. Certainly, I feel we have ended the year as much better friends, indeed, as brothers. And that is an honour and a privilege as well. To all the title holders concluding their reigns tonight, I congratulate you. You have earned my respect and my affection. To Princess Morgen, you have grown so much, as a queen, a fundraiser, and a person. To Prince Jack, boop. To Empress 41 1/2 Kelsey Breeze, you've done a great job - as always - keeping Ruby grounded and centered. To the rest of my harem of half-Empresses, you were all chosen because of the particular beauty, wit, talent, and charisma you bring to your role - and you are all Wild Roses at heart. To Empress 41 Ruby Hymen, I hope this year has been what you wanted it to be, and I am glad that of all your cities, Edmonton was lucky enough to get you as Empress. To Emperor 41 BullDozr, thank you for this chance to serve as your half. Together, we were able to weather the storms that came. Thank you for your calmness, for your book suggestions, and for your quiet dignity. The 41st House was stronger because of you, and your own house has grown this year. You deserve accolades for

the former and the best of wishes for the latter.

I remain, Emperor 26, 28, and 36 Emperor 38 1/2 and 41 1/2 of Edmonton

ANNIVERSARY MONARCH, EMPRESS XLI-MYRA MAINES

Wow a year already, and I am pretty sure I am just as late getting this message in as my step down from last year (sorry Dayzi). Its hard to believe at times that its only been a year, but what a year it has been. There have been many changes in my personal life. For the first time in awhile, Myra and drag have not always come first. Between a new home, career, and our two fur babies. It has been quite a dowager year that I will never forget. Yet still I am still travelling just as much as ever.

One thing has not changed, the people who were there from the beginning and stood by my side right until the end. You are still my rocks and people I consider family.

Congrats to the 41st Reign, make sure to sit back and enjoy everything tonight's festivities have to offer. I'm sure it will be a blast. To the aspirants to the throne, whomever is successful this evening, take a moment, breath, and get ready for what I know will be a challenging yet fulfilling year of your life.

Where does one start? Only 5 years ago I came out to my family as a gay individual and I never looked back. I have been an out and proud member of the LGBTQ community ever since. Without the Love and support of this amazing community, without the love and support of the ISCWR I have no doubt my life would be very different.

First, thank you to the community I live to serve for their generous support for me over the last 12 months. Without your support we couldn't have achieved what we did. Thank you. Thank you to my family, my mom, my sisters, my aunt, uncle and cousins for being such cheerleaders for me throughout this whole time. I love you guys so much.

Rob, Murray and Scott I can't thank you enough for the part you played in making me the queen and gay individual I am today. Your never-ending love, support and investment in the future of our entire community are something I will never forget. Thank you.

Vanity. My momma. From the first time we met I knew I respected you. You took me under your wing and showed me what its really like to be selfless and to serve your community. You showed me the meaning of love, respect and friendship. You've mentored me, and supported me. You helped me to be the person I am today, and I will be forever grateful for you.

Tosheena, you have been my best friend for years, and my biggest cheerleader in life. This entire endeavour would have been an impossible feat for me without having you by my side. I cant thank you enough for your friendship and im so incredibly proud of the individuals we have become and I am so happy I have and will continue to have you by my side. I love you so much.

Ruby. Remember when you stood and greeted the people of your realm and I walked up to you and said, "well here we go!" Well. We did it. And I couldn't have been happier to do it by your side. You have been a huge support for me and have always seen something in me that no one else did. I cant thank you enough for your friendship and am so proud of what you, of what we achieved this year. Thank you for everything. I love you soo much.

Bull. Thank you for supporting me, and for the love, support and encouragement you have given me throughout this year. I am blessed to have been presented with the opportunity to serve you and work for you.

Last but surely not least. **Kelsey, Ivanna**, and **Big Daddy**. Thank you from the bottom of my heart for all you do for our community, and for the tremendous support you have given me.

My sincerest gratitude to everyone who has played a part in making this year a success.

I humbly remain a loyal servant to my community, Her Most Imperial and Sovereign Highness Princess 41,

Her Most Imperial Sovereign Majesty, Empress XLI, Ruby Hymen

Welcome and thank you all for coming to Coronation 42! What a year it has been. I've learned a lot over the last 12 months, about myself, my supports and my drag. It's been a wild ride and I am so grateful for the experience and the privilege of being Empress. This has been an experience I will never forget.

I can't start without thanking our wonderful sponsors. Without their support our reign would not have been nearly as successful as it has been. I want to give a special thanks to Amped Accessories for supplying the 41^{st} reign with regalia for all our title holders and various donations throughout the year. You made us sparkle that much more. Also, a huge thank you to **Evolution Wonderlounge** and The **Edmonton Inn and Conference Centre** for supplying us with venues to host our shows. **Rob, Scott** and **Murray**, you have always supported the ISCWR and I am truly grateful for your encouragement and welcoming environment. Everyone from the staff to the patrons have been amazing to our team

You are a key member of our organization. Thank you to Brian for stepping in last minute to pick up the communications aspect. Your dedication to the ISCWR is outstanding. Everyone on our board has put in so much effort to keep our organization running, truly without them we wouldn't be where we are today

<u>Upper House</u>: BullDozr I can't thank you enough for your mentorship over these last 12 months. Your experience, knowledge and dedication to the court has made our year that much better. What I love about our dynamic is that we complement each other. Where I am lacking, you have those skills to help me and our team. Thank you. **Jack N' Ginger**, you stepped up to Prince without hesitation. When our team needed you, you did not disappoint. You have done some amazing things as a new title holder and I am excited to what the future will bring you. **Morgen Fair** – Thanks for being everything I could have hoped for in a Princess and a friend

Regina: -Jenny – the bad egg of it all who created this monster. It will be 6 years in December. When I first came and asked you to put me in drag, I was a cowboy. I'm sure you were like "What is this cowboy gonna do?". You have always been accepting and supportive. I told you I would never run for Empress but look where we are now. You're a crazy, kooky, oddball and I love you.

Juicy to my mother you always look fabulous and fancy. Thank you for always being there for me and sending ideas (costumes, drag..) you so important to me and I love you dearly. Mya good luck with your future court dreams. Sean Ryan always made me giggle about how light in the loafers you are and you can bet you will always have more bling than any other drag queen in the whole room. Trixie keep buying more dresses, babe. Kiki haven't seen much of each other the last while but you're always someone who is no bullshit – thank you for being exactly who you are and don't lose your wild side! Sandra, I miss just hanging out with you, you always make me giggle with your Sandy Shuffle. Scooter hopefully by now you know how to tell time

Family: Brandon We've had countless hours together. I always could count on you for support, chats, walks, travelling to difference cities, working together and hosting. We both learned a lot this year. Yes, there were some ups and downs but we always are there for each other. You've grown leaps and bounds this year and I've enjoyed standing beside you while you've blossomed. Big things are coming your way – Future Empress for sure! I always appreciate and respect your morals and conviction – that you stick to your guns and that is a great quality! Love you! Tosheena Even through our ups and downs you have always been encouraging. We've spent this last year learning from each other but you always went above and beyond for me. You are hardworking and you always go the extra mile – you've been my own personal Girl Friday. I always know that we've got each other's backs, through thick or thin. You've out down yourself this year! You'll go far! Love you!

I remain in your service,

His Most Imperial Sovereign Majesty, Emperor XLI, BullDozr

It has been quite a year. Though we had some challenges, as every reign does, we overcame them and persevered. We collaborated with three fellow community organizations, produced two full scale production shows, increased our sponsorship, and saw new vitality in our membership. The Imperial House of Glam Rock and Peacocks had a young and enthusiastic crew of title holders who cared about fundraising just as much as they did entertaining. We ventured into new territories with show ideas, venues and target audiences. We started with three keynote benefactors, Living Positive, Altview Foundation, and WIN House, but our year morphed into something beautiful. Ruby and I decided that each member of our Upper House should have an opportunity to raise funds for a benefactor of their own; so we added - I Human, the Pride Centre, our local university GSA programs and Canadian Mental Health Association of Alberta to our list of benefactors, bringing our benefactor list to seven. We also be giving out eight bursaries to post- secondary students this year. To say that I am proud of the crew we had this year, is a vast understatement.

Officers of the Board: Thank you for your guidance, council, and determined effort to keep the year running smoothly. For this I have endless gratitude. .

Upper House: Well my peeps where do I even begin to start. **Ruby**, thank you for taking this journey with me, it was a long road and there were bumps and curves along the way, but here we are at the finish line still standing and better for it all. I sincerely hope the year gave you everything you were hoping for. **Morgen**, watching you grow this year was an incredible experience, you broke through barriers of shyness, and your stage presence sky rocketed. I know my approach was a touch harsh at times, but I just wanted you to achieve your full potential, which you totally did. I'm so proud of you. I hope you found

your somewhere that's green. Jack, well my friend, here we are at last. I asked a lot of you this year, and it was undoubtedly a lot to handle. You accepted and rose to the challenge. At the end of the day you are right where you deserve to be, you took the title of prince seriously and I truly believe you gave the position everything you had to give. I am proud of you and honoured to call you friend. Hey Seymour, how'd you like to be my son. JBR, as Entertainer of the Year, you not only proved you had earned the title, you owned it gurl. Your energy and enthusiasm SLAYED every time you stepped on stage.

A year can have many outcomes and many roads to travel, for two of our upper house members the year took them down a different path.

Charmin' and Lucy, you may not have seen it to the end, but none the less thank you for your contributions to the year.

Home: Before anyone or anything else I must send out huge gratitude to the membership and the Edmonton community at large who came out and supported the reign, without your support the year would have meant nothing. Now before I go on, if I miss anyone I am dreadfully sorry, and love you all. Murray, Scott, Rob and the entire Evolution family, there is no way to even begin to express my love and thanks for all that you have done for the court this year. You were more than just a venue or sponsor, you were a home and family for the forty first reign. Many thanks to the Edmonton Inn for their on- going sponsorship and once again, hosting the Ball. To our incredible sponsors, Amped Accessories, kinkstore.ca, Gay Calgary Magazine, Crowley's Jewellers, Famoso Pizzeria, Rayacom, thank you for your gracious and more than abundant contributions this year. Aaron, Greg and the Fellowship of Alberta Bears it was so great o collaborate once again this year, Fur to Fab is easily one of my favorite events and one I look forward to every year. Joyce and Artists for Life Foundation Alberta, our collaborative efforts on the Art in Excess-World Aids Day Fundraiser was truly a highlight of my reign. As someone who grew up in the later days of the Aids epidemic I was witness to the devastation to the gay community and mourned the losses of several friends, so this event is truly one of my most cherished. Thank you for joining forces with us. Lupercalia, thank you so much for allowing us to take part in your weekend. Greg, AML and Scott, thank you for keeping a little leather in my life this year, and for reminding me that I am part of another brotherhood beyond court. Tanner, Tosheena, and Mel, we could not have asked for a better trio of Gay title holders this year. Your hard work and absolute dedication to the success of our reign earned the highest respect from myself and the community, you kids rocked it this year. Major props to you. Shauna, our gatekeeper, you have a kind soul and a gentle heart, and give so much of yourself in so many charitable endeavours. You truly are one in a million. GiGi, so much love, you embody the spirit of positivity. Dyxson and Rhyder, two of my fave kings, it was awesome to have you involved this year. Lola, you brought us to church and they loved it. Thank you so much for including the Court in your Church Chat shows, and helping to expand our audience. Mr. Silver, you kind of came out of nowhere and exploded, your show Cake was a ton of fun and a fresh spin on our traditional style of show. Congrats on becoming Mr. Gay 30, I expect great things from you in the year ahead. Love and respect my friend. Nova, your desire to better the community is awesome. Use your title as Queen of Hearts to its fullest potential. Kelsey, thank you for being there for my empress this year and for keeping our finances in order, your many efforts did not go un-noticed. Brian, thank you for all of the hard work

and stepping back into the role of communications in the time of need. Thank you for your patience while I wrote this message. And thank you for your friendship. Jeffy, o' brother my brother, thank you for simply being you. I have so much love for you. Auntie Twiggy, so awesome lady. Ferris and Bambi, I can't thank you enough for all of the video logging of our shows this year. Your love and commitment to drag culture is incredible. Christy, thank you so much for the help and support this year, both in court and personal life. Carrie, Delaware, celiac, gluten free, and soy lattes. Ghostbird, LI whyyyyy? We have a bottle of gin, and a fresh can of..... to crack open very soon. Love the shit out of you Princess Coyote blood. Hey is that R Kelly's golden shimmer? Jim, thank you for all of the work you put into the production shows to ensure their success, and thanks for your friendship. Dave, Walter and Bob, thank you for the outstanding support this year. Trey, thank you for your hard work and contributions to the year. Remember to just do you. Melinda, its pure magic every time you hit the stage, so excited to see what you bring as Mz. Gay 30. Divina, Yaass queen! Watching your year has been extraordinary. Tim and Baby Gay, love you both thank you for the support this year. Lady Tenderflake, you have a beautiful heart, and a fantastic approach to drag. Ivy, Prince S, keep doing what you're doing. Much love. Lilith, hunty bitch, and I love you for it. Thank you for being my personal princess this year. Angelo, now that you will be of age, I'm very excited to see you hit the stage with force. Wishing you nothing but the best in your budding court involvement.

Regina: Kerry, my brother, when you get it, you get it. Thank you for reminding me of that. We have had many a conversation over the years, but none were more relevant than those we had in Winnipeg this time round. I am truly honoured to call you brother. Hellacious, damn gurl, mad respect for you, it has been a pleasure to watch you evolve into the empress you have become. Maya, I love you Sugar, remember that your journey is your own, no retreat, no surrender and take no prisoners. You are incredibly talented so remember to own that shit! Michele: our Facebook conversations about Supernatural, Dr. Who, and the beautiful Mr. Cumberbatch were often a welcome distraction from the year. A'Dam, Spiderman does whatever a spider can. Looking forward to what's ahead my friend. Alex, it was great to finally hang out. Alex Beast, scritches, couch cuddles, and tail wags. Love you Mr. Ionna so much love. Eyes on the prize. Max, looking forward to seeing more of you. Jenny, what can I say that I haven't said before. You are golden.

Vancouver: Andrew, my brother, you and I have come a long way from late night conversations in the living room of your tiny Calgary apartment. Who knew our ponderings of co-reigning would ever come to fruition. Grave digger, when you dig my grave, make it shallow, so I can feel the rain. Sienna, love you girl, you are an undeniable force. Tommy and Jane, its been great getting to know you on the circuit and I look forward to seeing more of you. Mandy, always in my heart. Miss M. magic, pure magic. Berlin and Glitteris, hilarious, beautiful, and god damned talented. Cory, what can I say that hasn't been said before, thank you and much love.

Calgary: The city where my ICS journey began. There is so much love for so many people in this city, but in the interest of time and space I can only mention those who stood out this year. Know that just because you are not mentioned, it does not mean I love you less. Ruby the first wife, girl, your support this tear totally meant the world to me. Thank you beyond words. Nina (Megatron) Tron, so much of your advice and council from the first time around, I carried with me this year, so thank you. Dion, always and forever. Fred, your kind words, and contributions (through donation and support) throughout our reign this year were truly amazing, many thanks and much love. Devine and Tony, it was always a pleasure to see you on the circuit and co-represent Alberta with you. Krystal: you have been a constant since my journey began. I am so excited to see that you have taken the leap and are wearing the big girl crown. I have great and enthusiastic hopes for your reign and so much love for you. Damion, congrats brother, and it's about time. Makayla, Jc, Barkley, much love. The Haus Frost: first and foremost thank you so much for accepting my command. D, Here is the T girl, some think you a bitch, some think you brash, I think you are genuine, you speak your mind, you are upfront, and I always know where I stand with you, and for that I have a shit ton of love and respect for you and I am privileged to call you a friend. R, dude you are so low key and easy going, its always great to just chill with you and have a laugh or twelve. Smother/Sean, I am so proud to witness your evolution as a performer, as a person, as family. You truly inspire me kiddo. Slamda/Jordan who could ask for a better SIL (son in law) your smile lights up a room, and your joy is infectious. Love beyond words for both of you.

Winnipeg: Cake, my god, lady where do I even start? You are the epitome of an empress. You are kind, steadfast, determined, completely committed to your community, and an incredible entertainer. You truly inspire. Welcome to

committed to your community, and an incredible entertainer. You truly inspire. Welcome to wuzzieland. Lita, Foxxy, Sharon, always great to see you. Jasmine, your creativity knows no bounds, always excited to see what you are going to do next. Dusty, well kid I'm just gonna say you've grown on me, and I'm so glad. Vida, my sister, six years of friendship and court is crazy to think about, that's a lot of gin!!!! Congrats on stepping up once again. I have so much love and respect for you sugar, and I'm so looking forward to the year ahead. Jamie, My friend, you always have kind words, and a distinct passion to represent those who have an unheard voice. My respect for you knows no bounds. It is truly my honour and privilege to represent you as your half this year. My phone is always on and my ears always there to listen. All the love brother. Picky and Glory, I am eternally jealous of your creativity. My deepest and most humble gratitude for accepting my command. It truly means the world to me.

Las Vegas: Matt and Diana, elevator selfies, 4am Chinese food, love and respect. Brenda, your kindness warms my heart. Mary Bess, god I love you sugar. Congrats on your decade in Alaska. Our door is always open, and you are always welcome.

Minnesota: Evie, it was so great getting to chat with you. Tonia, such a sweetheart, and I definitely am going to try to make your step down, I already have the perfect song for the out of town show. Shawn, it is always a pleasure to see you, and talk life and court. I look forward to finally getting to Minneapolis (because of you it's definitely on my list), and perhaps a detour to peruse the hipsters of Duluth.

The year took me on a contemplative journey, and I found my thoughts travelling the roads to beautiful places in the past; hard and cold places made beautiful by the heroes who dwell there.

Heroes.... Strange and wonderful things heroes are. They come in all forms, be they famous, be they friends, or random strangers. Some drift into your life at a time of need, some are a constant anchor that keep you on an even keel, while others spark a flame that drives you to newer unexpected heights. People you may have never met but have affected your life so deeply. The Trailblazers: the Stonewall rioters, Jose Sarria, Harvey Milk, Nicole the Great, Cleve Jones, Mr. ted northe, Mark Ashton, and Delwin Vriend, the beautiful souls who through their deeds fought tirelessly to advance the rights of the lgbtq+ community. Curtis Bourne, the twenty-five year old hairdresser, who died too soon because of a disease ignored too long, who helped a fourteen year old me realise that it was ok to be gay. Our friendship was far too short but is never forgotten. Groups like Act Up, Queer Nation, Gay Men's Health Crisis, who fought for the attention of governments and the public when a generation of gay men were dying. It was and is these heroes who inspire my activism journey. For that I am forever grateful. The Heroes who got me to the end goal: Shawna Starr, so, during my prince year in Calgary, there was this handsome couple who came to pretty much every event I hosted. Then about half way through the year, this amazing queen started to show up. Jump ahead and that amazing queen became our princess during my Calgary reign. You have been a constant in my entire court life and our court journeys have seen us take many titles. I respect your opinions and will always heed your council. You will always be my princess, but more than that you will always be my friend and that means more than you will ever know. I love you gurl!! Yada, your ingenuity as a performer, your laughter, and warmth bring me an immeasurable sense of joy. It is these qualities that make you shine so bright. And why you are co-matriarch to my dawg pack. Big Daddy, watching your personal journey this year, was awe inspiring. You have a steadfast dedication to court and your opinion is always a valued one. Vanity, lady, what can I say, you are fierce, an uncompromising performer, and when the chips are down you dig your heels in the dirt, stand tall, and never bow to the option of defeat. You have admirable strength. Mama Diamonds, if there was a drag mafia you would most certainly be the God Mother. Strength, determination, dedication, grace, and compassion, these are all words that come to mind when I think of you. You remind me every day that it is not the crown that makes you a monarch, but the deeds you perform while you are wearing it, and that a true monarch is recognizable even when not wearing a crown. You told me five years ago to stay true to myself and I have never forgotten that. Thank you for everything you have done to ensure the success of our reign and the success of our Ball. I adore you ever and always. Daniel, Oh My God Sir!!!! Your kindness, never ending positivity, and pure dedication reaffirmed everything for me this year. And well fireman pants (just saying). My heart bursts with love for you my friend. My Halves: Shada, I was going to use your full name but didn't want to bring up the Black Beaver. Haha, luv you. In all seriousness though when you connect with someone you connect and its golden. You were so great this year. I have so much love and respect for you sugar. You have fire and passion. But above all else you are kind. I'm so looking forward to the next steps in our journeys. China, well, well, well, here we are Hon. The co-matriarch to my Dawg pack, one of the kindest and most authentic souls I know. You know what it takes to be an empress. You understand the title is more about the effect you have on your community and less about a brand new gown or having a multitude of crowns. You are humble and hilarious and my life would be substantially less without you in it. It was truly a privilege to have you as my half this year. Satina, this message could have gone a number of ways, our standard name calling, life shaming antics, but that's not what I want to do this time around. It is not often that I truly express how I feel. You and I have had a long and great road together, from absinthe at Ming the first time we met, to where we are now. You are one of my closest and truest friends in court and in life. My love knows no bounds when it comes to you. You are more than a friend and more than a sister. I couldn't imagine doing this whole thing again without you. I love you Lady Ass-face (ok had to put one in there). Rob, and now shit gets real. The words I write here will never seem enough. I know you are not one for sentimentality but you are just going to have to suck it up. You were truly my Gibraltar this year. A sounding board. A therapist. A champion. You talked me off more than a few ledges, counseled on many a decision, and were just there to listen when I needed. You inspire on so many levels. You are passionate about your community, loyal to your convictions, and live by integrity. Behind your razor sharp wit there is a truly amazing heart, it was my absolute honour to call you my half this year, but more than that to call you friend. You have a very large place in my heart ever and always. My Family: Kari and TJ, sisters I never had, I love you for your support, your kindness and acceptance. LJ and Mike: Question: Are we ever going to stop? I already know the answer, probably not, court and community seem to be in our blood. Thank you for your unending support this year, and for allowing me to once again embark on this journey. I know I am not the easiest person to live with, especially when the anxiety kicks in so thank you for tolerating those dark periods and for pulling me out of them. Our personal journey is one that keeps me afloat and our growing family gives me so much vitality. Hove you both as much as there are stars in the night sky. I could not have done this year without knowing you were standing behind me ready to catch me if I fell. It is because of these heroes that I wanted to be an Emperor. Not to strive to be a hero myself, but rather, to pay homage to those who brought light to my darkness. Those who travel the path of kindness and love choose the hard road because in the immortal words of David Bowie, "Love dares you to care for the people on the edge of the night, and love dares you to change our way of caring about ourselves." So give me

I remain in humble service to community, court, and crown,
The Ruby-Cursed, Tale of Two Cities Emperor,
Emperor XLI of Edmonton and all of Northern Alberta

the hard road any day, because it is the road that brought me home.

BullDozr Steele

His Most Imperial Sovereign Highness, Prince XLI, Jack N' Ginger

One year ago I wouldn't have believed that I would have come so far in our organization. I was, at the time, just the King of Hearts, only half way through my reign with that title I was suddenly asked to run for Prince and jumped at the chance.

I am so incredibly thankful to H.M.I.S.M. 41 Bull Dozr and H.M.I.S.M. 41 Ruby Hymen for giving me that chance, it opened the door for me to be able to become more involved, learn more, and achieve more within the I.S.C.W.R.

Being the Duke, for the short time I was, I was able to learn more about the inner workings of our organization and I was also able to reach out to different charities thanks to the opportunity Bull presented to his upper house. Once elevated to the status of Prince I would have more responsibilities but I knew I would have the support of those around me which made the transition easy. I have learned so much from everyone this year and I will keep those lessons with me.

To the cast of Little Shop of Horrors, all of you are amazing! We worked so hard on that production and it was such a success that I can't help but smile every time I

think of it. I was nervous about being your Seymour but you all made it easy and helped make those nerves disappear. You helped me learn to deal with the pre-show anxiety and how to keep a straight face when you're getting shoved into Mrs. Luce's boobs.

To everyone involved in the **Premiere Duet Show**. You all were amazing, I couldn't have asked for a better group to put on a show with. Pm thrilled that it all went over so well and I am so glad that it was a success. This show was my chance to raise money for a charity of my choosing and I chose iHuman. I couldn't have done it without all of your help.

To all those involved in **Dukes and Bond Girls**. It seems like ages ago that I was the Duke and we were putting together this event. **Myra**, ain't nobody who can sell a martini wall like you! To my **Duchess** who put in just as much effort and time as I did for this event, we did it and it was a success.

Ruby Hymen, you were my Queen of Hearts, then my Empress. We've come so far this year and I'm glad that we were able to move up together and keep working together. You've brought many new faces to the court and reached out to make the our upper house more approachable.

To my Princess, Morgen Fair. We were thrown together half way through the year but you just went with it and for that I'm thankful. You made the transition easy and I'm glad that though I was new and didn't know what was going on you put up with me and helped me get through it. We make a great team and I'm glad I get to end off this year with you by my side.

Mister Emperor, BullDozr. Having you for an Emperor has made this year incredible. I'm so grateful to you for giving me first the chance to be a part of the upper house as Duke, then feeling confident enough in me to propose elevating me to Prince. This year has been rocky but we made it!! I'm glad we always have our Sunday's to vent, brainstorm, or just be stupid. It's been an interesting ride but you have always been there for me and I'll always be there for you

To the friends who put up with my crazy during the year. Thank you for making sure I didn't go nuts. Thank you for being an ear when I needed to talk, a shoulder when I needed to cry, and being a friend when I needed one. Without your support I probably would have cracked and crumbled but you where there to ensure that didn't happen.

It has been a whirlwind of a year but as an organization we have come so far. We were able to overcome the various struggles we had to face and kept going forward full steam. I am proud to have been a part of the 41st Reign.

I remain nperial Sovereign Highne

It's hard to believe that it's already been a year and we are celebrating another coronation! Massive congratulations to the Upper House of the 41st Reign. You've definitely had your share of unexpected changes this year and your team handled them all like champs. You are all huge inspirations and supports for me and I am so grateful to have been so heavily involved in your year! I'm so proud of each of you for all the hard work and dedication you've done over the last 12 months and I hope you remember to celebrate all your successes. Much love to you all! xoxo

My year as Ms Gay was everything I could have imagined and I wouldn't have had anywhere near the experience I did if it weren't for my wonderful counterparts. Mel Trixx, thank you for all the support! Harvey Steele — what can I say? You were my rock, my biggest support and my best friend. I could always count on you to get stuff done and help keep me on track and help maintain my sanity. You have such a bright future ahead of you and I cannot wait to what amazing things you do next!

Many thanks,

Ms Gay Edmonton XXIX,

Kenya DeWitt

Another year has come and gone. Congratulations to our prince and princess, Jack N' Ginger and Morgen Fair. You both faced changes and obstacles throughout your reign and still did a wonderful job. Congratulations to our emperor and empress, BullDozr and Ruby Hymen. What a fantastic year for you both and I loved being able to work along side you. Thank you to my lovely partners for the year. Mel Trixx you brought a lot of talent to the stage. And Kenya Dewitt, your passion for the organization was well presented and I wish you the best of luck. Thank you to all the members of the organization this year for your support and dedication. You truly made it a year to remember.

GOOD LUCK to the candidates for Reign 42. You are wonderful and will do amazing this year. LJ, you may be gone but you will never be forgotten. I will do everything in my power to continue your legacy. I will be your Superboy. I love you my friend. Fly high. I remain,

Mr. Gay Edmonton XXIX,

Harvey Steele

I will never forget the immense impact the ISCWR has made in my life. From 'boy in a dress' to drag queen, I grew thanks to this organization. Congratulations to Emperor BullDozr and Empress Ruby Hymen on a stellar reign! You made it the most exciting and fabulous year yet. Bravo my friends! And to the upper house, you're all strong and smart individuals who consistently inspire and support this community.

Remember to continue your love and light past the end of this chapter as we all have many more to come.

Wow, what a year!

I would like to start by personally thanking the ISCWR Reign 41 for selecting me as their Entertainer of the Year. With this honor, I have had the opportunity to meet a lot of amazing people, take part in some great events, give back to my community, and grow as a person and as a performer. I'm sad to end our reign, but am more than excited to see what the next year has in store for all of us!

Wishing you all the best!
